

KIM

CO-FOUNDER

I am married and the mother of two adult children. I have always been interested and curious about anything paranormal or psychic related. I had a couple of unexplainable things happen to me when I was a teenager. As an adult, I've had dreams and thoughts that turned out to be premonitions when they came true within minutes or days. I love this hobby and everyone on the team. Being able to give clients answers and support is very fulfilling.
