

JUDY
CO-FOUNDER

I live in the metro-Detroit area and I am a co-founder of Detroit Rock City Paranormal, a representative of the National Paranormal Society and a trainee of Spirit Mechanix (Kentucky).

I study the paranormal as a science and enter each investigation with a healthy dose of skepticism and adapt my skills to the unique circumstances of each location.

I love to learn about all things relating to the occult and metaphysics and I have a passion for stones, oils and resins and a bit of alchemy.
